MAILES AND HONOLULU WIN OUT IN GAMES OF SATURDAY

Two very good games were played by league teams on the campus at Punahou Saturday afternoon. The first was between the Maile Ilima and Custom House teams and was won by the former, the score being 5 to 4. The second was between the Honolulu and Punahou and was won by the former, the score being 7 to 6.

There were bad errors in both the games but there were overlooked on account of the closeness of the score and the continued doubt as to which team would ultimately come out on the winning side. When the Mailes had won their game, there were many on the grounds who hoped for the defeat of the Honolulu in order that the former might climb to the top, betting on the final result of the season having become very general down town.

The Custom House team showed up very poorly. Lishman started the ball rolling by making two very bad errors at short and Raven behind the bat was unable to do anything else but toss the balls to the various bases. The consequence was that men of the Maile Ilima team had no trouble whatever in stealing second.

The star player of the day for the Mailes was Wright, the new shortstop, who fielded in excellent shape all but one out of the nine or ten chances which came to him. His throwing to first was a feature of the game.

In the second game—Honolulu vs. Punahou—the foregone conclusion seemed to be that the former would win "hands down" but as the game progressed, it was seen that the play would at least be close. Two innings and no runs, then a goose egg for the Punahous and two runs for the Honolulu, another Punahou zero and one run for the Honolulu, then two more innings without a run. In the seventh the Punahous made their first score, bringing in two men and the Honolulu added another three. In the eighth nothing and in the ninth a bad error by Pryce which tied the score. In the tenth, the game went to the Honolulu.

First—Clark Wild.
Tucker, for the Customs, got his base on balls. Clark throwing four very bad balls in succession. Bowers flew out to center. Lishman hit to short, to second, for Tucker out. Anderson flew out to right.

Luahwa for the Mailes flew out to Bowers in center. Mana hit to short for a wild throw by Lishman, and went all the way around, scoring the first run. Davis struck out. Clark trotted to first on four balls. Kiley flew out to Tucker at second.

Second—Lishman Makes Error.
Kiwa flew out to third. King went out, short to first. Willis got first on an error by short. Duncan, a new player, sent a beautiful single over third. Raven flew out to left.

Wright for the Mailes got first on an error by Lishman. Akau flew out to right and the ball was returned to first for Wright out. Desha got first on an error by pitcher. He should have got further but he ran into the baseman and fell all over himself. Desha stole second. Taylor made a single into left. The ball was thrown home to prevent Desha from scoring and Taylor went to second. Luahwa flew out to left.

Third—Short Inning.
Tucker for the Customs went out, short to first. Bowers struck out. Lishman went out, short to first. Mana for the Mailes got two bases by a hit into left. Davis struck out. Clark went out, short to first. The ball was sent to third for Mana, retiring the side.

Fourth—Ball Into Bushes.
Anderson made a clean base hit into center. Kiwa hit to short for Anderson out at second. Mana got too far up into the air, sent the ball over Davis' head and Kiwa went to second. His next act was to steal third. A passed ball brought him home. The score was thus tied. King struck out. Willis made a fine infield single. Duncan struck out.

Kiley for the Mailes made a single into left and stole second. Wright flew out to left. Akau got first on an error by short. Desha hit to first. Willis was not on his bag and Kiley got home before the arrival of the ball. Taylor hit to center and Akau came home. Luahwa hit into the bushes out in left and Desha and Taylor came home. Mana flew out to right. Davis got base on balls. Clark hit to short for Luahwa out at third. The Mailes made four runs in this inning.

Fifth—A Wild Throw.
Willis for the Customs went out, second to first. Tucker went out, short to first. Bowers hit to Akau at third who made a fine catch but threw wild to first. The ball went into the crowd and Bowers went all the way around for a run. Lishman flew out to center. Kiley for the Mailes, struck out. Wright made a two-bagger out into left. Akau flew out to right. Desha went out, third to first.

Sixth—Some Fly-Outs.
Anderson for the Customs, flew out to second. Kiwa went out, short to first. King flew out to left. Taylor went out on a foul to catcher. Luahwa flew out to center. Mana struck out.

Seventh—Two Bags on Error.
Willis for the Customs went out on a grounder to first. Duncan flew out to Luahwa in left. Raven made a clean single into left. Tucker made a single over second and while Raven was going to third, he himself went to second.

and. Bowers got two bags on an error by Luahwa in left and Raven came home. Lishman went out, third to first.

Davis struck out. Clark went out, third to first. Kiley made a single into left but was caught fairly at first by Kiwa.

Eighth—Another Short One.
Anderson for the Customs, flew out to second. Kiwa went out, short to first. King flew out to center.

Wright flew out to Anderson. Akau went out to the same place. Desha got base on balls. Taylor struck out.

Ninth—Won by a Run.
Willis for the Customs got first on the first error of the day for Wright who had nine chances and fielded eight successfully. Willis stole second. Duncan got first on a muff by Kiley right in front of the plate. Raven made a single into right, thus filling all the bases. Tucker hit to Wright who threw home, catching Willis. Bowers flew out to Luahwa in left and Duncan came home. Tucker was caught between second and third, the ball being thrown from the field to the plate and thence to third and second. Had it not been for the very faulty base running of Tucker and Raven, there was a great chance for the Customs to have tied the score. As it was, the Mailes won the game by the very close score of 5 to 4.

First—No Runs.
Steere for the Punahous went out, second to first. A. Marcellino struck out. Waterhouse struck out.

Williams for the Honolulu flew out to center. Lishman went out, pitcher to first. Cunha struck out.

Second—Castle Blossoms Out.
Fernandez for the Punahous, struck out. J. Marcellino made base on balls. Soper went out, second to first. Hemenway struck out.

Joy for the Honolulu went out, pitcher to first. Castle making a fine stop of a very warm ball. Pryce went out on a grounder to Soper at first. Hansman struck out.

Third—Honolulu Score.
Cooke for the Punahous, struck out. Castle got first on an error by the baseman there and stole second. Steere went out on a grounder to first. A. Marcellino flew out to Williams at third, leaving Castle at third, after having done some very hard work to get there.

Thompson for the Honolulu made a single over third and got second on a passed ball. Aylett got base on balls. Gleason hit to Fernandez who stood on the line, caught Thompson and then threw to second but the umpire called Aylett safe. Williams made a single into center. Louis flew out to Cooke in center and Aylett came home. Cunha got first on an error by A. Marcellino at short and Gleason came home. Hemenway threw wild to Castle and Williams ran for home. He failed to touch the plate and Soper, taking the ball, stepped on the plate and ran to the players' bench where he touched Williams. The umpire thereupon called the batter out.

Fourth—Joy Scores.
Waterhouse struck out. Fernandez went out on a grounder to Gleason at first. J. Marcellino struck out.

Joy made a fine single into left and stole second. Pryce went out, short to first. Hansman went out, third to first. Thompson got base on balls and stole second. Aylett got first on a wild throw by Hemenway to first after the batter had three strikes, and Joy scored. Williams made a single into right and Thompson came home but his run was not counted because Gleason had failed to bat in the regular order. For this little irregularity, Gleason was called out and the side was retired.

Fifth—Soper Fairly Caught.
Soper got base on balls but was caught on a throw by Cunha while trying to steal off to second. Hemenway flew out to short. Cooke struck out.

Williams took the bat for the Honolulu and got first on an error by Soper. Louis hit to second for Williams out. Cunha flew out to Steere at second. Joy went out, short to first.

Sixth—Best Play of Day.
Castle for the Punahous made a single past second. Steere got base on balls. The runners were advanced a base on a wild pitch. A. Marcellino struck out. Waterhouse struck out but Cunha fumbled the ball. However, he was equal to the occasion, made a feint at throwing the ball to third, to keep the runner there on his base and then threw it to first in time to catch Waterhouse. This was the very best play of the day. Fernandez went out on a foul fly to Gleason.

Pryce for the Honolulu went out, short to first. Hansman flew out to center. Thompson got first and second on an error by Soper who struck too close to his base instead of stepping off to catch the ball when he had all the time in the world. Aylett got first on an error by the baseman there who fumbled a grounder sent to him. Gleason flew out to short and the side failed to score.

Williams for the Honolulu made a single into right. Louis hit to Steere who threw to Marcellino at second for an inexcusable error and both men were safe. A wild pitch advanced the two men one base. Cunha hit to Steere who threw home but failed to catch Williams. Cunha stole second. Joy went out, pitcher to first, sacrificing and sending Louis home. Pryce went out, second to first and Cunha came home. Hansman made a base hit to second and stole second and third on two passed balls. Thompson went out, pitcher to first.

Eighth—Some Strike-Outs.
Steere made a single past second. A. Marcellino struck out. Waterhouse hit to short for Steere out at second. Fernandez struck out.

Aylett for the Honolulu went out, pitcher to first. Gleason made a single to left. Williams did the same into center. Gleason stole third and Williams second. Louis struck out. Cunha flew out to right.

Ninth—Score Tied.
J. Marcellino made a hit past second. Soper went out on a grounder to first and forgot all about Marcellino who went around to third. A wild pitch brought Marcellino home. Hemenway got base on balls and got second on a passed ball. Cooke struck out. Castle made a two-bagger down third base line and Hemenway came home. Steere hit to third who threw wild to first and both Castle and he came home. This tied the score. A. Marcellino flew out to Gleason on a foul.

Joy made a single into right. Pryce struck out. Hansman flew out to left. Thompson flew out to center.

Tenth—Honolulu Win.
Waterhouse for the Punahous made a single into left. Fernandez hit to short for Waterhouse out at second. J. Marcellino flew out to center. Soper went out, short to first.

Aylett for the Honolulu got base on balls. Gleason hit to short for Aylett out at second. Williams hit to short for Aylett out at second. Williams hit to right and Gleason took two bases. Louis flew out to center and Gleason came home after the ball had been caught.

The summary of the games is as follows:

Maile Ilima	A.B.R.H.O.A.E.
Luahwa, If.	4 0 1 4 0 1

HIGH ART PLUMBING

BATH'S PLUMBING ESTABLISHMENT. Interior View. Located at 165 King Street, opposite Young Building.

This up-to-date plumbing shop is the result of a very rapidly increasing business and was made necessary on account of the cramped quarters formerly occupied on Richards street. To make a display of the large and fine stock of sanitary plumbing materials the new shop was opened.

A full line of the world-famed Douglas Closets is carried, which are provided with either high or low tanks and are as near noiseless in their operation as closets can be made. They are constructed on the siphon principle, which makes a strong suction that thoroughly washes the bowl. These closets are sold under a written guarantee, and are also guaranteed against leakage, no charge being made for repairs.

People today are paying much attention to sanitation and sanitary plumbing is one of the requisites in every modern residence. The BATH SHOP is the leader in sanitary plumbing and years of experience and a large force of capable workmen enables Mr. Bath to do work equal if not superior to any other shop in the Islands.

A line of rolled-iron enameled Bath Tubs are on hand, as well as open lavatories. These are highly Sanitary, Goods, and the connections are nickel, making them artistic in appearance.

One of the latest improved Wash Trays may be seen on exhibition. These goods are all connected with the city water mains and may be seen in full operation at the store. The public are invited to call and make inspection of these goods.

Mr. Bath will call and give figures on work at any time. He also gives all work intrusted to him his personal supervision.
